### DECLARATION (15/17)

*Please do not click the browser's **Back** button.*

I declare that I am the individual named as applying to sit this examination and that the information and relevant documentation uploaded is a true record in support of my application. I hereby accept the Regulations and Conditions to the examination in my chosen Specialty and accept that the JCIE reserves the right to feedback examination results to the Principal Referee.

I agree with the above statement.

Date:

The JCIE's default position is to send a copy of your examination feedback to you and your Principal Referee (as identified by you at application). You do, however, have the right to withdraw your consent.

However, the JCIE feels that it is very much in your own interests to share this feedback as it stimulates a discussion around areas for development either to optimise your practice as a senior trainee and Consultant, or to maximise your chances in the event of a resit. It also allows your Principal Referee to facilitate actions (for example, allocation of specific training jobs) to assist you in your development.

Please note that if you choose to withdraw your consent to have a copy of your examination feedback sent to your Principal Referee the JCIE still reserves the right to inform the Principal Referee should there be significant concerns over performance and/or patient safety. This is in accordance with the GMC published Good Medical Practice.

I agree to my feedback being shared with my Principal Referee
