

Joint Committee on Intercollegiate Examinations

27 October 2025

Dear Fellows and Members,

We are pleased to announce, on behalf of the Joint Surgical Royal Colleges, the appointment of Mr Ronan Dardis as Chair of the Joint Committee on Intercollegiate Examinations (JCIE).

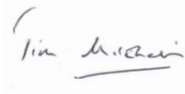

Mr Dardis, a Consultant Neurosurgeon based in Coventry, was appointed following a rigorous, transparent, and highly competitive intercollegiate selection process that attracted applications from many exceptional candidates across the profession. After careful consideration and interviews with shortlisted applicants, Mr Dardis was identified as the outstanding candidate for the role.

His appointment reflects the extensive experience and leadership he has demonstrated as an examiner for the Intercollegiate Specialty Examination in Neurosurgery since 2012 and as Board Chair from 2021 to 2024.

We are delighted to welcome Mr Dardis to this important position for the Colleges and look forward to him taking over the role in January 2026.
